## Sterling Assist

*Expert career assistance to enable your successful transition*

As a leader in executive search since 1999, Sterling Search & Consulting has worked with clients across a wide array of industries, business lines and functions.

We have helped scores of executives develop a more impactful professional resume, a sharper focus on their career search strategy and more enhanced networking capabilities.

We ensure that they are well prepared for exploratory meetings and key interview sessions with Board members, C-Suite executives, senior HR and other organizational leaders.

Sterling Assist provides a range of services to support the career search needs of professionals who are in transition, considering a relocation or who are just searching for a new career opportunity.

Put Sterling Assist to work for you.
